

360° Health®

A little something
extra when
you're expecting.

If you're pregnant or planning to be, you should know that SmartPath from MEABT is working with your health plan to bring you the Future Moms program. Future Moms is a maternity program available to all eligible MEABT health plan members. The program puts you in touch with valuable tools and information to help you make healthy choices while you're expecting.

Through funding by MEABT SmartPath, 360° Health works in conjunction with Future Moms to give you a little extra motivation. You can earn a \$100 gift card from hundreds of your favorite retailers when you complete a phone assessment with a Future Moms nurse during your first trimester, during your second trimester and after your baby is born. That's \$300 in gift cards available to you if you enroll in Future Moms early in your pregnancy. We know the real reward is a healthy baby. But when you're planning for a growing family, every bit of support can help. Just call **866-347-8360** as soon as you know you are pregnant to start earning your rewards. Then, when you're ready to select your gift card, log in or register at yourhealthpower.com/healthpower/MEABT.

Starting today, you can
take advantage of all
that 360° Health and
SmartPath have to offer.

Your health.
Your choice.
